

# Free Webinar

## Addressing Cyber Risk

Presented by Global Cyber Alliance

April 29<sup>th</sup>, 2020 | 1pm to 2pm EST

### THIS 1-HOUR WEBINAR PRESENTATION WILL DISCUSS:

The **Global Cyber Alliance** has put together a Cybersecurity Toolkit for Small Businesses that contains free tools and resources to help you shore up your defenses and put good cyber hygiene in place. We will go through the toolkit, discuss the risks the toolkit addresses and the actions you can take to improve the security of your digital environment.

#### Learning Objectives:

- Understand what cyber risk is and why it's important to address
- Know what actions are important to take to put basic cyber hygiene in place to lower cyber risk
- Know what resources are available to be able to take action

### ABOUT THE SPEAKERS:

**Shehzad Mirza** is the Deputy Director of Operations for Global Cyber Alliance (GCA), a not-for-profit organization who mission is to eliminate cyber risks around the globe. Shehzad has deep technical experience having served as a manager in the Advisory Services practice, as part of the security monitoring group, of Ernst & Young LLP. Prior to that Shehzad as Senior Director of Security Operations at the Center for Internet Security (CIS) responsible for managing the security operations, which included a 24x7 security operations center (SOC) providing cybersecurity and detection/notification services to all state and local governments across the United States for the Multi-State Information-Sharing and Analysis Center (MS-ISAC).

**Aimee Larsen Kirkpatrick** is the Global Communications Officer for the Global Cyber Alliance. Aimée was formerly with the National Cyber Security Alliance as the Partnership Engagement & Strategic Initiatives Director where she established strategies and programs to engage and broaden NCSA's stakeholder base, expand its audience, and develop campaigns to educate the public about cybersecurity.
